LEGIT Favorite is legitimate; do not play against (most likely winner, top-2, and top-3 finisher)
Appears set to pass the 1x condition today. Last 3 at GP are better than any of these have run with the possible exception of POP A CHOC's SAR/BEL outings last summer.

PLAYABLE 🐾 The race is narrowed to several discernable contenders. Post time odds will dictate wagering approach.	40	VALUEPLAY	5-GAMINE is the obvious favorite. She should get more pace pressure from her outside today. Her OptxFIGs are much lower than last year. She will have to go faster early than she has been previously this year. Will that make her vulnerable late?

She should get more pace pressure from her outside today. Her OptxFIGs are much lower than last year. She will have to go faster early than she has been previously this year. PLAYABLE  The race is narrowed to several discernable contenders. Post time odds will dictate wagering approach.	60	VALUEPLAY	The Euro fillies 12-TEONA and 13-TARNAWA seem to have an edge over the field. 10-YIBIR might still have more upside and has LONGSHOT potential.
